RULES OF YOUR MENU

The "COME E BEBE" menus are only valid for in-store consumption, for a minimum of 2 people, with a maximum dining time of up to 2 hours.

Once you leave the store, it will not be possible to return to the "COME E BEBE" without paying for a new menu.

All menus include drinks (fountain sodas), which you may refill with moderation to avoid waste.

Beer, cider, Monster and Red Bull are not included in any of the menus, and coffee is only included in the "À Vontadinha".

All guests seated at the same table must pay the menu price, and the chosen menu must be the same for everyone.

We suggest starting the "COME E BEBE" with one A Maior pizza plus one Medium pizza for every two people. You may only order more pizzas once the ones at the table are fully consumed, in order to avoid food waste. Each round will be made up of an average of one pizza per two people.

It is not allowed to take leftovers from the store.

Desserts and ice creams are not included in any menu. You may order desserts separately.

Children up to 10 years old and under 1,10 m in height do not pay, provided they are accompanied by at least two adults with the 'Eat & Drink' menu. A maximum of 2 children is allowed for every 2 adults.

It is not possible to book tables at Domino's, except for birthdays.

Stores reserve the right not to apply the service conditions to customers who do not comply with the presented rules or misuse the menus (food and drink waste) or who do not respect the instructions of the staff. Failure to comply with any of these conditions will immediately end the service, without any right to refund.

Birthdays with a minimum of 8 people, upon presentation of an ID document with the date of birth, the birthday person does not pay for the "COME E BEBE" menu.
